Heartland Association of Fairs, Festivals & Events – 2020 Showcase Guidelines

Showcase Committee Assignment | Overview

The Heartland Association of Fairs, Festivals & Events (HAFFE) shall maintain control over all showcases. Showcases will be supervised by a Showcase Committee.

- The Showcase Committee shall be appointed by the HAFFE Board of Directors. The Showcase Committee shall be comprised of three (3) individuals. Showcase Committee members do not need to be members of the board of directors, but must be affiliated with HAFFE or one of its members.
- The Showcase Committee shall appoint one (1) member (from within the committee) to serve as the Showcase Manager. The Showcase Manager will coordinate the showcase process with showcase acts & the showcase sound/lighting provider.
- The Showcase Committee will be responsible to the HAFFE Board of Directors, will work with the Showcase Manager to review acts for showcase selection & will assist the Showcase Manager prior to (and during) the convention.

Showcase Eligibility

- Showcase act/agent must be a HAFFE Associate (or Individual) Member for one (1) year prior to application. In 2020, all current (paid) members are eligible to apply for a showcase. For showcases that are selected, the member's 2021 dues must be paid prior to the performance or video showcase.
- Showcase act/agent must be up-to-date with all HAFFE membership dues for the current year.
- The Showcase Committee does not guarantee showcases to any members.

Showcase Options | Pricing

Live Performance:	Fifteen (15) minutes; \$100 fee
Video Showcase:	Five (5) minutes; \$100 fee

Showcase fee MUST accompany the showcase application. The fee will be returned if the act is not selected to showcase.

Late applications will not be accepted. Refer to the Showcase Application for application deadlines.

Showcase Outline | Rules

Video Showcases are available to eligible members who (due to the nature of their act) cannot perform 'live' on the showcase stage. Eligibility questions may be directed to the Showcase Manager.

Showcase acts may not exceed the time limits listed above (See "Showcase Options / Pricing"). Time shall begin immediately after emcee introduction. Time limit includes invitations to visit the act's room. A warning shall be given when the act has 3 minutes of showcase time remaining. If an act exceeds their allowed performance time, the Showcase Committee may assess a fine of \$100.00 to the HAFFE member representing the act and/or forfeit the member's eligibility to apply for a showcase at the next HAFFE convention.

Neither artist nor agent shall invite (or encourage) convention attendees to depart from the convention (for an off-site performance) while convention activities are still taking place, or both artist & agent will be disqualified from showcasing for two (2) years.

Showcase acts must use the stage, sound, lighting, video & backline equipment provided by the convention unless specific approval has been granted by the Showcase Manager during the act's advance. The Showcase Committee shall maintain exclusive control of the sound and lighting equipment.

If selected, an act may showcase up to two (2) consecutive years before taking one (1) year off. (This rule only applies to the specific act or video showcase. It does not apply to the member/agent.)

There shall be no substitution of a selected showcase act without the permission of the Showcase Committee.

Showcase acts must be able to perform in the facilities provided by the hotel/convention center. Showcasing may only take place in designated areas and at times designated by the Showcase Committee. Acts will have a maximum of 10 minutes to set up. Setup may take place at the same time as convention-related classes, meetings, or other showcases and must always be done in a quiet, orderly, and respectful manner. Sound checks will be scheduled prior to the convention during the act's advance with the Showcase Manager.

Showcase acts are welcome to distribute one (1) promotional item (per place setting, per table) at the convention meal corresponding with their showcase date/time. Items must be of a reasonable size and should not be placed on top of food, plates, drinking glasses or eating utensils. The Showcase Committee will remove promotional items that do not comply with these guidelines. To prevent the disposal of promotional items, the act/agent must collect unused/unclaimed materials immediately following the departure of guests from the room.

The National Anthem and/or performances by Youth Talent Contest winners are not considered to be showcases.

Any appeals from the decision of the Showcase Manager shall be taken to the Showcase Committee, whose decision will be final. Appeals from decisions of the Showcase Manager should be made in writing & filed with the Showcase Committee.

The HAFFE Board of Directors reserves the right to amend and interpret the guidelines stated within this document.
